SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Dear Sir:

Pursuant to 37 C.F.R. §1.97, as revised on February 4, 1992, 1135 OG 23-24, Applicants hereby call the Examiner's attention to documents listed on the attached form, which documents may be material to the examination of this application. Pursuant to 37 CFR 1.98(a)(2)(1) copies of cited U.S. patent and U.S. patent application publications are not submitted herewith. Copies of foreign patent documents and non-

patent literature documents are enclosed herewith for the Examiner's consideration.

No inference should be drawn that any apparatus disclosed is equivalent to the subject invention. Also, the citation of the above-discussed documents is not to be construed as an assertion that more pertinent art could not possibly be in existence. Citation of any document herein is not to be construed as an admission that any subject matter disclosed in the document is necessarily within the inventive field of endeavor, that any disclosure is necessarily prior in time to a particular date which may be relevant to the instant patent application, and/or that any disclosure is otherwise necessarily prior art with respect to the instant invention.

Please note that citation no. 9, WO 01/62374 is a German language international publication which includes an English language abstract. Included with this reference is a more complete English translation of the reference which was obtained from the Dialog database.

Applicants also respectfully reserve the right to later set forth how the instant invention is distinguished over the disclosure of any document or other art, including the disclosure of those documents discussed herein, that may be

cited by the Examiner in rejecting a claim in the present patent application.

This Supplemental Information Disclosure Statement is being filed after the mailing date of a first Office Action on the merits, but before a final rejection or Notice of Allowance. The fee of \$180.00 under 37 CFR 1.97(c) is included herewith. If it is determined that an additional fee is required for this Supplemental Information Disclosure Statement, please charge our Deposit Account No. 50/1039.

Respectfully submitted,

Andrew G. Kolomayets
